Alan Whelan joins Reliance Globalcom

Reliance Globalcom, the global subsidiary of Reliance Communications, has appointed Alan F Whelan as senior vice-president, EMEA region. Alan's appointment is effective from June 1, 2009. He will be located at the company's Brentford office in the UK. He has worked earlier with Cable & Wireless, AT&T and British Telecom in various leadership positions, managing wholesale and enterprise business. He has extensive experience in the EMEA region, having run a number of global businesses. Alan has also worked throughout the Americas and in Asia Pacific. He has recently served as executive director of a private equity business (The DX Group) and as chairman of the board of CTM in China.
