Reliance Big Entertainment acquires rights for *Karzzz*

■ **MUMBAI:** Reliance Big Entertainment has acquired the world, internet and satellite rights of T-Series' Himesh Reshamiya starrer *Karzzz*. This is the second of Himesh's three ventures with T-series-owner Bhushan Kumar, where he combines his acting skills with his musical talent. The singer-music composer made his acting debut with *Aap Ka Suroor* last year. Bhushan Kumar has been instrumental in shaping Himesh's acting career by signing him for three films, as well as acquiring the *Karz* rights from Subhash Ghai. Reliance Big Entertainment president Rajesh Sawhney said: "We are delighted to present a potent combination of talented Himesh and the classic *Karz*. We are confident that *Karzzz* will also be a blockbuster."
