### **RCom adds 3.3-mn wireless customers in Feb**

**MUMBAI:** Anil Ambani group company, Reliance Communications, today said that it has added a record 3.38-million new wireless customers during February. For the second consecutive month, Reliance Mobile has emerged as the country's largest and most preferred telecom operator in terms of new subscriber additions, the company said in a press release here. Reliance Communications is India's first operator to offer nationwide CDMA and GSM mobile services.
