RCom adds 2.4 m users in May

NewsWire18

Mumbai, June 15

Reliance Communications Ltd today said it added 2.4 million new wireless subscribers in May, nine per cent more than 2.2 million additions recorded in April.

The company garnered 23 per cent of all new wireless subscribers added by the industry between January and May, following the launch of its global system for mobile communications operations, the company said.

Its total subscriber base as of end-May stood at 77.2 millions.

GSM ROLL-OUT

Earlier today, Reliance Communications' President-Wireless Business, Mr S.P. Shukla, said on NDTV-Profit that the company will complete most of its pan-India GSM rollout by end-June.

He expects GSM operations to break-even in less than two-three years. He also said Reliance Communications' investment in 3G services would be over and above its 2009-10 planned capital expenditure of Rs 10,000 crore. — © **NewsWire18 Pvt. Ltd. 2009**
