LUCKNOW, JULY 3

RELIANCE Communications on Monday announced the launch of its latest exciting offer 'Hello Capital Plan' which enables Reliance customers to make calls between state capitals at local call rates of 40 paise per minute.

Under the Hello Capital plan, a Reliance Hello customer (with '32' series numbering plan) will enjoy a special tariff of Rs 1.20 per 3 minutes (same as local charge of 0.40 paise per minute) for a Reliance Hello to Reliance Hello call between state capitals. Applicable on all the tariff plans in postpaid and prepaid Reliance Hello phones, this plan is likely to benefit many. An individual working in Delhi can make calls to his relatives and friends in Mumbai, Chennai, Jaipur, Lucknow, Kolkata and many more cities at local call rate.

Announcing the plan, president, (Wireless Business), Reliance Communications, SP Shukla said "The plan will bring the Reliance Hello customers closer to his near and dear ones and will better connect the business partners than ever before without worry for high telephone bills."
